Cypress Class Newsletter

May-June 2022

Upcoming Events:

May 30th – No School
June 9th – Early Release – Last Day of School

We wish you a safe and wonderful SUMMER VACATION!

Important Reminders:

Students have P.E Tuesdays and Thursdays. Please have students in correct P.E. uniform on these days.

Please provide students with a bottle of water every day for proper hydration.

Homework:

All students need to complete 30 minutes of I-ready every day.
Reading: Mon & Wed
Math: Tue & Thu
Please make sure students read 30 minutes at home every day.

Dear Families,

We will be having a celebration for your children on Friday, May 13th, 2022. The children may come-in in their pajamas and may bring stuffies. If you would like to donate any food items it would be greatly appreciated.
Thank you for everything you do for your child.

Please Read Reminders on the last page.

A Look at Our Month:

Kindergarten/1st grade- Reading	Kindergarten/1st grade- Spelling	Kindergarten/1st grade- Writing	Kindergarten/1st grade- Social Studies/Science	Kindergarten/1st grade- Math
Students will be reading and writing a book report. They will develop vocabulary. Identify the topic of and relevant details in a text. Ask questions and create mental images to build knowledge about sounds. Share ideas about sounds with partners to demonstrate understanding of the topic.	Kinder- Students will focus on long vowel words. 1st grade- Students will focus on silent letter words	Students will practice the elements of writing a book report and researching a continent (Africa). If you have any artifacts from African that you would like to share with the class, it would be greatly appreciated.	Students will be working on a cultural project about continents around the world with a focus on Africa. Students will be learning about and building their own habitats for different plants and animals of that continent.	Students will be reviewing math concepts from the year, talking about composite shapes, and working on math fluency activities. Students will continue practicing with numbers up to 120, Compare Numbers (and Plot Numbers to 120 on an Open Number Line) and Word Problems. As well as, Measurement and Represent Data. Students will continue playing Addition/Subtraction Fluency Games. In Geometry students will 3-Dimensional figures and 2-Dimensional Figures.

Reminders:

Tuesdays and Thursdays: PE/Art: **Don't forget water-bottles**

Donations:
We are asking parents to please **donate water bottles, Lysol spray and wipes.**
Thank you so much!
