5th Grade

A RATED SCHOOL

Academics

In Language Arts, we will work on argumentative essays, as well as identifying characterization, summarizing using context clues, adages and cause and effect.

In Math, we will work on adding and subtracting fractions, resizing fractions and multiplying them.

In Science, we will explore physical and chemical changes and uses of energy.

In Social Studies, we willl earn about the Revolutionary War, including: women of the revolutionary war, declaration of unalianle rights, battles of the revolution and revolutionary alliances.

Homework

Due every Friday.

REMINDER: IREADY IS NO LONGER ALLOWED AT HOME. DONE IN SCHOOL ONLY.
