

CLASSROOM NEWSLETTER

SEPTEMBER 2026

WHAT WE ARE LEARNING

ELA:

This month, we will read different genres of stories, including fiction and nonfiction. Each week, we will compare and contrast the two stories we read, going over text features. Throughout the unit, we will learn to make connections, summarize, and practice retelling important information, such as main characters, setting, and key events.

Math:

This Month, we will be learning to use the making ten strategy to add two numbers. recognizing doubles and doubles plus 1 facts. subtracting by counting on. Students will also learn to write a missing addend equation to solve a subtraction problem.
