## MAY & JUNE

### OUR LEARNING focus...

#### Reading:

We will read fiction and non-fiction books about forces and motion. We will practice describing how pictures support meaning in a text, identifying the main topic and details, applying strategies, and retelling information. We will work with long vowels e, i, o, and u and end the year with reviews.

#### Math:

We will practice building fluency with adding and subtracting within 10, counting backwards within 120.

#### Science:

We will learn about matter and its physical changes.

#### Social Studies:

We will learn about US Currency, Wants v Needs, Goods and Services, Consumers and Producers, and Buying and Saving. We will end the year with a project.
