**11/17:** Movie Night

**11/16:** Thankful Student  
Luncheon

**11/20-24:** Fall Break

**11/27-12/1:** National Native  
American Heritage Week

## NOVEMBER

### OUR LEARNING *focus...*

#### **Reading:**

We will be reading fiction and non-fiction books to practice identifying the topic, retelling/describing important events, and identifying/describing main characters and setting. We will work with letters Pp, Oo, and Cc and work on capitalization and end punctuation.

#### **Math:**

We will continue practicing making numbers to 10. We will compare numbers within 10 and begin the early stages and strategies of addition.

#### **Science:**

We will learn and explore outer space, planets, and the moon. We will complete a project on the Life Cycle of a Bean Plant.

#### **Social Studies:**

We will learn and celebrate National Native American Heritage Week. We will learn about the First Thanksgiving and features on a map.

### Reminders

**Please, check and empty folders daily.**

**Homework is due and collected on Fridays.**

**Please, remember to pack a small snack for your child each day.**
