APRIL

OUR LEARNING focus...

Reading:

We will read fiction and non-fiction books about meeting our needs and wants. We will practice using illustrations to support the meaning of a text, describe story characters, setting, and important details, and apply strategies to understand texts. We will work with letters Vv, Qq, Xx. And Zz.

Math:

We will practice sorting objects, building figures, and comparing figures, .

Science:

We will make plant/animal observations and learn about seasons and weather .

Social Studies:

We will learn about families, rules and laws, American symbols and monuments, and community jobs.
